

Olga Hugelmeyer
Superintendent of Schools

May 6, 2019

Dear Proud Elizabeth Public School Teacher,

The degree to which of our society flourishes rests heavily on our ability to successfully educate our youth. Everywhere you look and see people contributing to our advancement, whether it be at a hospital, a corporate office, in schools like those at Elizabeth Public Schools, or anywhere work is taking place, those contributions were made possible through education. The people who are doing their jobs all around us, in all areas of our lives, were once taught the skills that they apply to their adult lives by educators who have a unique passion for delivering knowledge, skills, and wisdom to the next generation of leaders.

As a teacher, you are one of those exceptional leaders who has chosen to develop those who will have the greatest impact on our future. It takes tremendous courage and extraordinary care to assume the responsibility of taking a young, impressionable child and sculpting them into a respectful, caring, and passionate young adult who is ready and determined to make positive contributions to the world.

Thank you for the work you do each day to contribute toward our district goals of college preparedness, career readiness, and “on-time” graduation for every child. Most importantly, thank you for your devotion to educating our students and providing them with the skills they need to pursue their dreams and reach their full potential.

We are inviting everyone in the school community to visit www.epsnj.org/TeacherAppreciation to recognize the excellent work of our teachers. This link gives everyone the opportunity to download the “Proud Educator” and “I Love My Teacher” images and to share stories and pride of Elizabeth Public Schools educators.

Thank you once more for your dedicated service to the Elizabeth Public Schools learning community and best wishes for a rewarding week that celebrates your outstanding efforts as an educator.

Sincerely,

Olga Hugelmeyer

Office of the Superintendent of Schools
