Dear Parents/Guardians and Community Members:

As we approach the end of the 2021-2022 school year, we have many exciting events and activities that we look forward to celebrating. We have already sent out the Class of 2022 high school graduation and eighth grade promotion ceremonies schedule for all of our schools.

I am pleased to share with you that we will once again host educational and athletic activities this summer. The 2022 World of Summer Programs will be offered from July 5 through August 4. The registration form must be completed on the PowerSchool parent portal by June 22, 2022

All indoor programs will be held at air-conditioned facilities and transportation will be provided to K-8 students that reside 2.0 miles and beyond for eligible programs. Online registration will be required for these programs.

For further details about each of the programs offered, the 2022 World of Summer Programs brochure can be found at [www.epsnj.org/worldofsummerprograms2022](http://www.epsnj.org/worldofsummerprograms2022).

Thank you for your continued support. We look forward to providing our students with these wonderful programs so that they may continue to grow and explore their interests during the summer months.

Sincerely,

Olga Hugelmeyer  
Superintendent of Schools
