

Olga Hugelmeyer, Ed.D.
Superintendent of Schools

November 26, 2024

Dear Elizabeth Public Schools Team Members:

The successes we have had the privilege of celebrating here at Elizabeth Public Schools this year, and in years past, are thanks to the outstanding team we have among our schools and administrative offices, made up of individual team members who have devoted their careers to producing and supporting high levels of achievement for ALL students.

Our special team of teachers, support staff, and administrators make a positive difference in the lives of our students, helping them to pursue their goals and dreams and to permanently change the trajectories of families here in our community for the better. We are not only preparing our students for college, career, and life success, but also we are developing young leaders with skills and knowledge who offer hope and prosperity to the greater Elizabeth community.

The Elizabeth Public Schools team helps advance families, producing high school graduates in families that do not have members who finished high school, future college graduates in families who never had members attend college, future masters and doctoral graduates in families that had gone as far as receiving bachelor's degrees, future journeymen of trades who own and operate small businesses that support their families and the Elizabeth community, and future servicepeople who protect our nation and provide greater opportunities for those they love.

There is no better time than Thanksgiving to express my heartfelt gratitude and appreciation for each and every member of our amazing Elizabeth Public Schools team for the wonderful work you do and the impactful contributions you make each day to change the lives of our students and their families.

Best wishes for a safe, happy, and plentiful Thanksgiving holiday spent with your special team of cherished family and friends.

Sincerely,

Dr. Olga Hugelmeyer

Office of the Superintendent of Schools
