August 2023

Dear Parent/Guardian,

Please be advised that the State of New Jersey, Department of Health Services, has changed several immunization requirements. All children attending licensed childcare centers and preschools are **required** to receive an annual flu vaccination.

If you currently do not have medical insurance, you may qualify for services at the free immunization clinics throughout the city. For your convenience, attached is a fact sheet that addresses flu vaccination information.

According to state mandates, students attending school must provide the following:

1. Proof of the vaccine

Please provide proof of your child's required immunization as soon as possible and no later than December 14, 2023. Students who do not have the required documentation will be excluded from school as of January 3, 2024.

Sincerely,

Dorothy McMullen
