Welcome Back to All Parents/Guardians and Students!

On behalf of the entire staff here at Winfield Scott School No. 2, it is with great anticipation and an overwhelming sense of excitement that we welcome all of our families back to **in-person instruction for the 2021 – 2022 school year beginning on Thursday, September 9th!** We are eagerly awaiting to resume our productive partnership with you in order to ensure that our children reach their highest academic potential within a safe and vigorous classroom environment. We share the responsibility for our children's success and we want you to know that we will work diligently to reclaim excellence on our path forward.

We would, first of all, like to reiterate a shared message that the Elizabeth Public Schools will maintain its pledge, guided by the principles of exceeding CDC expectations, to open schools for in-person instruction responsibly, place the health and the safety first for both our students and team members, provide high-quality instruction to all students, and deliver accurate and timely communication to families and team members. Please visit our Back to School link on our district website for additional information on returning to school located at <https://www.epsnj.org/backtoschool>.

**Health and
Safety
Protocols**

- Providing 24/7 protection against Covid-19 and the Delta Variant for students, teachers, and in the classroom is a top priority.
- Masks will be required for all students and staff members.
 - We have provided every classroom with air purifiers that have a HEPA filter.
 - We have ensured adequate supplies to support healthy hygiene behaviors, including soap, tissues, face coverings, and hand sanitizers (with at least 60 percent ethyl alcohol) for students and staff members who can safely use hand sanitizers.
 - We have provided electrostatic sprayers in every school. The sprayers will enable custodial staff to more efficiently disinfect our schools. Detailed attention is given to high-touch areas such as door handles, desktops, sink handles, handrails and restrooms throughout the day.
 - We have posted signage in high visibility areas to remind students and staff members of proper techniques for handwashing, the covering of coughs and sneezes, and other prevention measures.

Electronic Devices	<p>For the past few years, our school has operated as a 1:1 technology school; and as a result, all students will continue to utilize a <u><i>laptop computer</i></u> for their daily classroom instruction. Students should make every effort to take excellent care of their <u><i>laptops</i></u> throughout the school year, as this is a very special privilege. Our 1:1 technology implementation will continue to ensure that our students attain the competitive standards that are needed to foster both college and career readiness. <i>All students are required to bring their charged laptops and power cords to school daily.</i></p> <p><u>NEW ENTRANTS</u> All new students to the district will receive their iPad/laptop during the first week of school.</p>
Stay Connected	<p><u>NEW AND EXISTING PARENT INSTRUCTIONS</u></p> <p>It is extremely important that we have the most updated home address and/or phone numbers so that we may contact you in the event of an emergency or to discuss your child's progress. Please be sure to update your contact information by logging into your PowerSchool Parent Portal and filling out the Emergency Information form found under the Forms link throughout the course of the school year should there be a change in either your home address and/or phone number. Open communication between the home and the school is expected and is one of the more pertinent keys to academic success in school.</p> <p>Our Notification system enables staff members to contact parents through email, text, and through verbal messages recorded on the phone. Through this system, parents are immediately alerted of urgent information, major events, and/or upcoming dates. To ensure that this system will continue to operate in its highly effective manner, it is very important that we have <u>the most current and accurate information on file for each and every student.</u></p> <p>To obtain information on how to keep your contact information up-to-date, please visit the EPS website at https://www.epsnj.org/backtoschool. Please refer to the "<i>Stay Connected</i>" tile and follow the instructions provided and follow the instructions provided on how to update your information on PowerSchool.</p>

Immunization Requirements

The state of New Jersey has mandated that all children born after January 1st, 1997 and enrolled in Grade Six, **will be required to receive a booster dose of the diphtheria, tetanus and pertussis vaccine (Tdap) as well as one dose of meningococcal vaccine.** Documentation that your child has received the required sixth grade immunizations must be turned into the school nurse no later than **Monday, August 30th, 2021.**

Students entering 6th grade with birthdays on or after August 16th, 2021, must provide written confirmation from your child’s healthcare provider of the vaccination appointment. This appointment should be within two weeks of your child turning 11 years of age. The immunization record must be submitted immediately following the appointment. The Elizabeth Public School District is compelled by law to ensure that all students receive their required immunizations.

Children who do not meet immunization requirements or do not have documentation of a scheduled appointment within two weeks of turning 11 years of age will be excluded from school beginning the first school day.

Transportation

Transportation will be available for the following students:

- Elementary students who live more than 2.0 miles from their school
- High school students who live more than 2.5 miles from their school
- Students whose IEP include transportation services

All students will be socially distanced while being transported to and from school.

Breakfast Program

Breakfast will be provided during homeroom at 8:20 a.m. Research shows that eating breakfast is linked to healthy body weight, improved academic performance and memory functioning, and increased school attendance. We encourage students to take part of this important meal.
