Welcome Back to All Parents/Guardians and Students!

On behalf of the entire staff here at Nicholas S. LaCorte Peterstown School No. 3 it is with great anticipation and an overwhelming sense of excitement that we welcome all of our families back to <u>in-person instruction for the 2021 – 2022 school year beginning on Thursday, September 9th!</u> We are eagerly awaiting to resume our productive partnership with you in order to ensure that our children reach their highest academic potential within a safe and vigorous classroom environment. We share the responsibility for our children's success and we want you to know that we will work diligently to reclaim excellence on our path forward.

We would, first of all, like to reiterate a shared message that the Elizabeth Public Schools will maintain its pledge, guided by the principles of exceeding CDC expectations, to open schools for in-person instruction responsibly, place the health and the safety first for both our students and team members, provide high-quality instruction to all students, and deliver accurate and timely communication to families and team members. Please visit our Back to School link on our district website for additional information on returning to school located at https://www.epsnj.org/backtoschool.

Health and Safety Protocols

Providing 24/7 protection against Covid-19 and the Delta Variant for students, teachers, and in the classroom is a top priority.

- Masks will be required for all students and staff members.
- We have provided every classroom with air purifiers that have a HEPA filter.
- We have ensured adequate supplies to support healthy hygiene behaviors, including soap, tissues, face coverings, and hand sanitizers (with at least 60 percent ethyl alcohol) for students and staff members who can safely use hand sanitizers.
- We have provided electrostatic sprayers in every school. The sprayers will enable custodial staff
 to more efficiently disinfect our schools. Detailed attention is
 given to high-touch areas such as door handles, desktops, sink handles, handrails and
 restrooms throughout the day.
- We have posted signage in high visibility areas to remind students and staff members of proper techniques for handwashing, the covering of coughs and sneezes, and other prevention measures.

Students should make every effort to take excellent care of their <u>laptops</u> throughout the school year, as this is a very special privilege. Stay Connected

NEW AND EXISTING PARENT INSTRUCTIONS

It is extremely important that we have the most updated home address and/or phone numbers so that we may contact you in the event of an emergency or to discuss your child's progress. The state of New Jersey has mandated that all children born after January 1st, 1997 and enrolled in Grade Six, will be required to receive a booster dose of the diphtheria, tetanus and pertussis vaccine (Tdap) as well as one dose of meningococcal vaccine.

Documentation that your child has received the required sixth grade immunizations must be turned into the school nurse no later than *Monday*, *August 30th*, *2021*.

Students entering 6th grade with birthdays on or after August 16th, 2021, must provide written confirmation from your child's healthcare provider of the vaccination appointment. This appointment should be within two weeks of your child turning 11 years of age. The immunization record must be submitted immediately following the appointment. The Elizabeth Public School District is compelled by law to ensure that all students receive their required immunizations.

Children who do not meet immunization requirements or do not have documentation of a scheduled appointment within two weeks of turning 11 years of age will be excluded from school beginning the first school day.

5:30 p.m. for parents of students in Grades 6-8

6:30 p.m. for parents of students in Grades K-5

Additional information is forthcoming.

I am delighted to share that our school will be opening up an Annex located at 943 Bond Street. All of our 4th Grade and Third Grade LLD students will attend this new location *beginning on September 9th*. This Annex will allow for our classroom sizes at the main building to be smaller and accommodate our increased student population.

We hope that you will all continue to enjoy the remainder of the summer. We look forward to resuming in-person instruction on *Thursday*, *September* 9th. Let's mark this time as the school year in which we all begin to work together in order to reaffirm equity, reestablish expectations, and reclaim excellence!

Sincerely,

Jennifer A. Campel Principal
