Summer Assignments-This is not optional! Must be completed!

Dear Incoming 4th Graders,

We look forward to an exciting year, full of wonderful new experiences!

For your Summer Reading Assignment, you will be required to write a book report.

LAL- Please read **one** of the following chapter books and complete the attached **Book Report**. If you need more room to write, please use lined paper and attach!

- **Island of the Blue Dolphins** by Scott O'Dell
- **Hatchet** by Gary Paulsen
- **Wonder** by R. J. Palacio
- **Matilda or James and the Giant Peach** by Roald Dahl
- **Sideways Stories from Wayside School** by Louis Sachar
- **Snow Treasure** by Marie McSwigan
- **Wings of Fire series** by Tui T Sutherland
- **The Peculiar** by Stefan Bachmann
- **Inside Out and Back Again** by Thanhha Lai
- **Real Friends** by Shannon Hale
- **The Quilt Walk** by Sandra Dallas
- **Extraordinary** by Miriam Spitzer Franklin
- **Merci Suarez** by Meg Medina
- **Front Desk** by Kelly Yang
- **Clean Getaway** by Nic Stone
- **The One and Only Ivan** by Katherine Applegate
- **The Year of the Book** by Amanda Cheng
- **Savvy** by Ingrid Law
- **Manana Land** by Pam Munoz Ryan

You can purchase your book choice on Amazon or borrow from your local public library!

Note: **This assignment will count as the first test grade for English/Language Arts. Do your best and start the year off right!**

Sincerely,
Mrs. McHugh & Mrs. Calisto
4th Grade English/Language Arts Teachers

Summer Enrichment-4th Grade Math

Greetings, welcome to 4th Grade.

Over the summer break it is crucial for students to practice math to keep their skills sharp. This year the district has purchased Summer Math Skills Sharpener workbooks for the students to use over the summer. I have included a schedule to help students navigate through completing the lessons in the workbook. Students should work 4-5 days a week for 30 minutes per day to complete as much as they can in each lesson. **Students must submit their workbook on September 5, 2025, as it will be counted as their first grade in math for the school year.**

It is advised for students to use the schedule for completing this assignment to do their best work.

| Week of | Summer Enrichment-Grade 5 Readiness |
|-----------|---|
| June 29 | Lessons #1-4, plus 1 Math Facts Sharpener |
| July 6 | Lessons #5-8, plus 1 Math Facts Sharpener |
| July 13 | Lessons #9-12, plus 1 Math Facts Sharpener |
| July 20 | Lessons #13-16, plus 1 Math Facts Sharpener |
| July 27 | Lessons #17-20, plus 1 Math Facts Sharpener |
| August 3 | Lessons #21-24, plus 1 Math Facts Sharpener |
| August 10 | Lessons #25-28, plus 1 Math Facts Sharpener |
| August 17 | Lessons #29-32, plus 1 Math Facts Sharpener |
| August 24 | Lessons #33-35, plus 2 Math Facts Sharpener |
| August 31 | Fraction Fun Puzzles |

Incoming 4th grade students must know the basic multiplication and division facts #1-12. If your child struggles with their multiplication facts, please sign them up for TimesTables.com. Please be reminded, though students are in 4th grade, students will be studying 5th grade math during the 2025-2026 school year.

Looking forward to meeting you in September!

Ms. Torres and Mrs. Luiz (4th Grade Math Teachers)
