August 2021

Dear Parents and Students,

Welcome to 3rd Grade at Terence C. Reilly School No. 7 and a brand-new school year! We are excited for the opportunity to educate your child and have planned for a year with many fun-filled educational experiences. Please label each item clearly with your child’s name. This year, supplies will not be collected or shared in the classroom, for sanitary reasons. In order to accomplish this, your child will need the following items for September:

- Spill-proof WATER bottle with Straw (LABEL WITH NAME)
- Backpack
- 3 Marble Composition Notebooks (NO BINDERS)
- 2 2-pocket folders
- 1 mesh/material Pencil Pouch (NO boxes or hard cases)
- 1 box of #2 Pencils
- 2 Erasers
- 2 packs of sticky notes pads
- 1 Sharpener (with enclosure)
- 1 Highlighter
- 1 glue stick
- 2 red pens
- 1 Small box of Crayons or Colored Pencils
- Earbuds
- 1 box of tissues

We believe through cooperation and collaboration; we can help your child accomplish many goals and discover new talents. We look forward to working cooperatively with you and your child for a successful and productive school year. Please do not hesitate to contact us with any questions or concerns. Together We Can!

Sincerely,

The Third Grade Team
Cereal Box Report

What you will need:

A book of your choosing and...

1. An empty cereal box.
2. Markers, crayons or other art supplies.
3. Construction paper, white or light colored paper.
4. Tape or glue.

***You may use the templates attached, type your responses or write them directly on the box. You may also use the computer to print images or draw your own illustrations. Points are awarded for creativity and accuracy!***

Directions:

FRONT OF BOX: Use a piece of white or light colored paper to cover the cereal box. You may also use a light colored wrapping paper. You should probably create your cover before gluing it onto your box. Include the name of the cereal and a picture. Invent a name for the cereal that is related to the title of the book and sounds like a cereal. Do NOT use the exact title of the book. You may want to look at the attached page of cereal boxes for some ideas. Choose a shape for your cereal as well as colors and ingredients that all relate to the book.

For example: For The Cat in the Hat, you might invent a cereal called Crunchy Cats, a toasted oat cereal in the shape in mini hats.

RIGHT SIDE: Make a list of ingredients that includes the story elements, character and setting.

Characters and Setting: Under the heading, “Ingredients,” list the main characters and write a sentence about each one. Then describe the setting. Make sure to include information about where and when the story takes place. You can use the template on the attached sheet or you may do it your own way, as long as the box is covered with white or light colored paper. Just make sure you include the main characters and the setting.
LEFT SIDE: Design a game that is based on the story. It can be a puzzle, a word search, a words scramble, a maze, a crossword puzzle, a hidden picture illustration, or any other fun activity that might be on a cereal box. Make sure it includes information and or vocabulary from the book.

BACK OF BOX: Write a summary that describes the main problem and the solution of the book. Try to use words that "grab" the readers' attention and make them want to buy your cereal. You can use the attached template or you may do it your own way. Make sure to include the important details from the beginning, middle and end of the story.

TOP OF BOX: Include the title, author, illustrator, and number of stars you would give this book if you were a book critic. The maximum number of stars would be 5. You can use the template or create the top of the box yourself as long as you include all the things listed above.

PRIZE: (optional) Cereal boxes often include a prize. Your prize must be something the main character could have used in the book or something that reminds you of the main character. You can even include a picture of the prize on the front of your box to let your reader know what's inside your box.

TEMPLATE

TOP OF BOX: Write the title of your book, the author and illustrator. Color the stars to show how you rate this book. Cut out the box below and place it on the top of your cereal box.

<table>
<thead>
<tr>
<th>Title of Book:</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>Author:</td>
<td>Illustrator:</td>
</tr>
<tr>
<td>Rating:</td>
<td>★★★★★</td>
</tr>
</tbody>
</table>
Cereal Box Report Templates

BACK OF THE BOX: First, write a summary that describes the important events of the beginning, middle and end. Remember to include the main problem and the solution. Cut out the box below and place on the back of your box. Make sure you use your NEATEST handwriting.

SUMMARY:

_________________________________________________________________________

_________________________________________________________________________

_________________________________________________________________________

_________________________________________________________________________

_________________________________________________________________________

_________________________________________________________________________

_________________________________________________________________________

_________________________________________________________________________

_________________________________________________________________________
Cut out this box and place it on the right side of your cereal box.

Characters:
List the main characters and write a sentence about each one. For example, if you were using the story "Charlie and the Chocolate Factory," you might include the following characters:

Charlie Bucket: He is a poor boy who finds the last golden ticket and wins a trip to Willy Wonka's Chocolate Factory.

Willy Wonka: He is the lively owner of the chocolate factory who allows six children and a member of their family to spend a day at his magical factory.

Setting:
Use complete sentences to tell where the story takes place. You may find that there is more than one setting in the story. For example, if you were using the story "Charlie and the Chocolate Factory," you might write:

The beginning of the story takes place in Charlie Bucket's very small house that he shares with his large family. Once Charlie finds the golden ticket and wins the contest, the rest of the story takes place in Willy Wonka's amazing chocolate factory.

Name:________________________________________

Title of Book:________________________________________
Day 1

97 + 75 =

On Monday, Sarah read 24 pages of her book. On Tuesday night, she read 41 pages, and Wednesday night, she read 32 pages. How many pages did Sarah read altogether?

What time is shown on the clock?

18 - 5 =

Day 2

98 + 33 =

Round the following numbers to the nearest 10.

13 ________

21 ________

29 ________

45 + 88 =

How many more students voted for baseball and hockey than football?

Day 3

Mandy made 27 pizzas. She made 16 pepperoni pizzas, 4 cheese pizzas, and the rest were sausage. How many sausage pizzas did Mandy make?

Color all of the quadrilaterals.

Round the following numbers to the nearest 100.

324 ________

558 ________

256 ________

Look at the base ten blocks. Write the number shown.

Write the number in standard form.

600 + 30 + 3 ________

Day 4

71 + 13 =

Look at the base ten blocks. Write the number shown.

Write the missing numbers to complete the pattern.

2, 4, 6, 8. ________, ________.

Becca put 91 books on a shelf. Of the books, 28 were nonfiction, 13 were poetry books, and the rest were fiction books. How many books were fiction?

© Carson-Dellosa • CD-104592

Study your addition and subtraction fact!

Study your multiplication and division fact!
1. Round the following numbers to the nearest 10.
   15
   28
   52

2. What time is shown on the clock?
   

3. 21 - 18 =

4. 112 + 57 =

5. Marcella has a dog-walking business. She walked 12 dogs on Thursday, 15 dogs on Saturday, and 9 dogs on Sunday. How many dogs did Marcella walk altogether? Write a number sentence and solve the problem.
   

6. Write the missing numbers to complete the pattern.
   10, 12, 14, _____, _____, _____

7. Which pet is the most popular?
   

8. Color all of the triangles.

9. Round the following numbers to the nearest 100.
   218
   121
   252

10. 248 + 501 =

   3.OA.9, 3.NBT.1, 3.NBT.2, 3.MD.1, 3.MD.3, 3.G.1
Day 1

Round the following numbers to the nearest 100.

634  
268  
489  

What is the name of the figure shown?

What is the value of the following coins?
2 quarters, 4 dimes, and 6 pennies

Day 2

What time is shown on the clock?

Jessica did some push-ups this week in gym class. On Monday, she did 10 and on Tuesday she did 13. How many push-ups did she do this week?

Look at the base ten blocks. Write the number shown.

Day 3

Complete the table.

\[ 85 - 31 = \]

<table>
<thead>
<tr>
<th>Add 4</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>5</td>
</tr>
<tr>
<td>3</td>
<td></td>
</tr>
<tr>

<tr>
<td>16</td>
<td></td>
</tr>
</tbody>
</table>

\[ 91 + 28 + 13 = \]

The zookeeper gave 2 bags of peanuts to an elephant. There were 12 peanuts in each bag. How many peanuts did the zookeeper give to the elephant?

Day 4

How many books did Brad, April, and Travis read altogether?

\[ 88 - 32 = \]

What units would you use to measure the length of a wall?

A. inches  
B. centimeters  
C. yards

Round the following numbers to the nearest 10.

25  
48  
51  

© Carson-Dellosa • CD-104592
1. Complete the table.

<table>
<thead>
<tr>
<th>Add 10</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>41</td>
<td>51</td>
</tr>
<tr>
<td>57</td>
<td></td>
</tr>
<tr>
<td>47</td>
<td></td>
</tr>
<tr>
<td>52</td>
<td></td>
</tr>
</tbody>
</table>

2. \(65 + 47 = \)

3. \(86 - 51 =\)

4. Round the following numbers to the nearest 10.
   - 16
   - 31
   - 57

5. Bailey has to be at soccer practice by the time shown on the clock. What time does Bailey have to be at practice?
   - ___________

6. How many more students' favorite color is purple than red?

7. Name the type of quadrilateral shown.
   - ___________

8. Tiffany has 276 fiction books and 187 nonfiction books. If she has read 200 books, how many books does she have left to read?
   - ___________

9. Last week, the local ice cream store sold 188 hot fudge sundaes, 54 chocolate sundaes, and 62 strawberry sundaes. How many more hot fudge sundaes did the store sell than chocolate and strawberry sundaes combined?
   - ___________

10. Round the following numbers to the nearest 100.
    - 221
    - 373
    - 556
Day 1

Jamie has to watch her little sister at the time shown on the clock. What time does Jamie have to watch her little sister?

748 - 459 =

Write the following number in expanded form.

548

How many students' birthdays are in January, February, and March? _____

4 + 8 =

3 + 2 =

8 + 3 =

Write the following number in expanded form.

Subtract 11

<table>
<thead>
<tr>
<th>23</th>
<th>12</th>
</tr>
</thead>
<tbody>
<tr>
<td>78</td>
<td></td>
</tr>
<tr>
<td>34</td>
<td></td>

</tbody>
</table>

Complete the table.

Count by 5s.

405, 410, 415.

Round the following numbers to the nearest 10.

37

65

81

Day 2

What shape has 6 sides and 6 vertices?

4 - 0 =

12 - 4 =

4 - 2 =

Sally's twin brother, Sean, has 348 fiction books and 109 nonfiction books. If Sean has read 300 books, how many books has Sean not read?

Brooke has 7 dimes, 4 quarters, and 8 pennies in her pocket. How much money does Brooke have?

Owen is going to visit his aunt. He travels 278 miles on Saturday. He travels 81 miles farther on Sunday than he did on Saturday. How many miles did Owen travel on Sunday?

Round the following numbers to the nearest 100.

736

397

890

Is this set of baseballs even or odd?

634 + 268 =

© Carson-Dellosa • CD-104592
1. Amy has to be at swim practice by the time shown on the clock. What time does Amy have to be at swim practice?

2. Shannon's favorite book is Traveling without Shoes. The book has 214 pages of text and 122 pages of pictures. If Shannon is on page 325, how many more pages until she gets to the end of the book?

3. Round the following numbers to the nearest 100.
   - 455
   - 201
   - 616

4. What is the name of a shape that has 3 sides and 1 right angle?

5. Which type of tree was planted the most this year?

6. Round the following numbers to the nearest 10.
   - 76
   - 23
   - 67

7. Complete the table.

8. \( 187 + 489 = \)

9. \( 890 - 249 = \)

10. \( 35 + 66 = \)
**Day 1**

Delaney's favorite book is *Trees in the Breeze*. The book has 85 pages of text and 145 pages of pictures. If Delaney is on page 197, how many pages are left to read?

What fraction does this circle show?

15 + 15 =

**Day 2**

Complete the table.
