JUNE 6, 2018

### FREE COMMUNITY EVENINGS FOR ABBOTT DISTRICTS PRESENT YOUR ID FOR ADMISSION

Community Evenings are exclusive events hosted throughout the year for all students and families from New Jersey's 31 former Abbott Districts. From 5:30 – 9:00 pm, eligible guests can explore LSC's general-admission exhibitions, see films, engage in live demonstrations and hands-on activities, and learn about valuable community resources available to them through generous participation from local organizations—all at no cost.

#### REGISTRATION

**Public schools:** Registration is required for school-organized trips. To register, e-mail your school name, city, preferred date, number of students and chaperones, and contact information to [Irose@lsc.org](mailto:Irose@lsc.org) (please use your public school e-mail address for registration).

**Individuals:** Registration is not required. Liberty Science Center does not provide transportation. Please be sure to bring proper identification! Adult groups or organizations are not eligible.

#### ACCEPTABLE FORMS OF IDENTIFICATION

ID is required, i.e. proof of residency in one of the 31 former Abbott districts. Acceptable forms of ID are driver's license, state ID, school ID, report card, or progress report.

#### TICKETS FOR FILMS

Tickets for films are available free on a first-come, first-served basis. Film tickets are available at the box office beginning at 5:30 pm on each Community Evening. Tickets cannot be reserved or picked up in advance. Theater tickets may be limited to one show per person.

#### PARKING

Free
