Dear iPrep Academy School No. 8 Community,

The Governor's Educator of the Year Program highlights educational innovation, student achievement, exemplary teaching, and important services outside the classroom environment that lead to student success. This celebratory program recognizes our state's best teachers and educational services professionals who will be recognized at the Union County Office of Education.

We are proud to announce that the 2018 Governor's Teacher of the Year for iPrep Academy School No. 8 was awarded to Ms. Kristina Mitovski. Ms. Mitovski has served the students in the Elizabeth Public Schools since 2006. She is currently a reading interventionist at School No. 8 who is an advocate for all students, believing that all students can achieve excellence. We are proud that she is part of iPrep Academy!

This year's Educational Service Provider of the Year for iPrep Academy, School No. 8 was awarded to Mrs. Denise Uniacke. Mrs. Uniacke has served the students of Elizabeth Public Schools since 2003 having worked in many capacities and locations throughout the district and having made a positive impact on each one.
