November 16, 2020

Dear Parents and Guardians,

The health, safety, and well-being of our students, families, and team members is our top priority.

LHI, a subsidiary of OptumServe, the federal health business of Optum and UnitedHealth Group, has extended COVID-19 testing at the Thomas G. Dunn Sports Center at 151 Pearl Street through the week of **November 16, 2020 from 12:30 p.m. to 7:30 p.m. to Saturday, November 21, 2020 from 9:00 a.m. to 4:00 p.m. and November 23, 2020 from 12:30 p.m. to 7:30 p.m. to Wednesday, November 25, 2020 from 9:00 a.m. to 4:00 p.m.**

Registration is required to make an appointment for testing, which can be done on the LHI website at www.lhi.care/covidtesting. You may register by using your child's ipad or laptop. If you are registering for a child under 18 years old or are having trouble registering online, please call 877-207-7571 to register. Appointments are scheduled every 15 minutes.

Anyone who meets the testing criteria can register and be tested at the testing site, including uninsured, underinsured, undocumented and homeless individuals. OptumServe will generate a unique identification number to track their test results.

When going for testing, please bring a valid photo ID or another method of proving your address, such as a utility bill. There is no charge for testing. However, if you have health insurance, please bring your insurance card.

Nurses will be onsite at the Dunn Sports Center to assist with the COVID-19 testing and translators will also be available.

If you have questions or need assistance with registration, please contact 908-436-6131. As a reminder, we have many resources and information related to COVID-19 at www.epsnj.org.

Please stay safe and be well.

Sincerely,

Olga Hugelmeyer
