How to Join Teams as a guest using an Android Device
Open your email and Click on the invitation link below sent by the teacher
Click on **Get Teams** if you don’t have Teams already installed. If you have **Teams** already installed simply click on **Join meeting**
This step is Only if you need to install Teams

Search for **Microsoft Teams** in the Play store. Click on **install** than open when finished installation
Click on **Join Meeting** and write your child’s name, then click on **Join Meeting once again**. You are connected to the meeting. The teacher will let you in shortly.
