Our 3E's

Equity • Expectations • Excellence
Equity

As a nation, America’s Promise is that every child, regardless of race, ethnicity or social class, should receive a high quality, academically rich and rigorous public education.
Expectations

The concept of high expectations is premised on the philosophical and pedagogical belief that a failure to hold all students to high expectations effectively denies them access to a high quality education, since the educational achievement of students tends to rise or fall in direct relation to the expectations placed upon them.
Excellence

Educational Excellence is defined as students performing at high levels or where students are making significant gains in academic achievement helping to prepare every child for global competitiveness.
