

ELIZABETH PUBLIC SCHOOLS

Every Child, Achieving Excellence

February 9, 2023

Dear Elizabeth Public Schools Counselors,

During National School Counseling Week, the Elizabeth Public Schools learning community joins school districts throughout the United States to recognize and celebrate the work of our school counselors for their significant impact in helping students perform at high levels and pursue their most ambitious dreams.

Each day, our highly qualified school counselors help students to succeed in school and in life while working alongside them to plan their future. They provide vital mental health support and empower their students to develop and maintain healthy goals, mindsets, and behaviors. Additionally, our school counselors help to maintain a strong collaboration and healthy relationship among students, families, and teachers, especially as it pertains to student academic, social, and emotional progress.

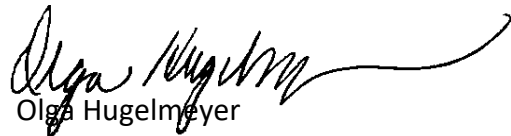

Thanks to the compassion, devotion, commitment, and determination of our school counselors, students are graduating ready to attend postsecondary academic institutions, embark on rewarding careers, and serve in the armed forces. We are proud of the countless ways in which you support our students and equip them with the tools and confidence to succeed in all areas of life.

On behalf of the Elizabeth Board of Education and the Elizabeth Public Schools learning community, please accept our heartfelt gratitude and appreciation for all you do to inspire our students to achieve excellence.

Sincerely,

Iliana Chevres
President, Elizabeth Board of Education
