Dear Parent/ Guardian,

The 2018-2019 Parent School Climate Survey for Victor Mravlag School No. 21 is currently active through PowerSchool. Please take a few moments to complete this survey, as it will provide useful information to the school administration. In order to do so, please follow the directions below:

Access the portal - <https://epsnj.powerschool.com> (parents/students),

1. Click on the "Ecollect Forms" link found on the middle left hand side.
2. Click on the "School 2017-2018 Mid-Year Parent Climate Survey," link found in the middle of the screen.
3. Wait for the form to load.... This may take a few seconds...
4. The survey must be completed in one sitting. As long as questions are being answered, the survey should not and will not time out. There is no saving and going back to it later.

It is important to note this is an anonymous survey. That means the data is collected based on responses NOT RESPONDER.

Thank you for your continued support,

Dr. Michael Wansaw
Principal
