Dear Donald Stewart Early Childhood Center School No. 51 Community,

The Governor's Educator of the Year Program highlights educational innovation, student achievement, exemplary teaching, and important services outside the classroom environment that lead to student success. This celebratory program recognizes our state's best teachers and educational services professionals who will be recognized at the Union County Office of Education.

Honorees are exceptionally skilled and dedicated licensed classroom teachers (PK to grade 12 in a public or charter school) where teaching is the primary responsibility rather than administrative or supervisory responsibilities or educational services professionals (ESP) who are listed as one of the eligible enrollment areas. Among several eligibility criteria, they must also be experts in the field who inspire students of all backgrounds and abilities to learn; actively collaborate with colleagues, students, and families to create a strong culture of respect and success; demonstrate leadership and innovation in educational activities; and have the respect and admiration of students, parents and colleagues.

We are proud to announce the 2023 Governor's Teacher of the Year for Donald Stewart Early Childhood Center School No. 51 was awarded to prekindergarten teacher **Ms. Milagrosa Sader**. Ms. Sader has been a member of Elizabeth Public Schools since 2002.

This year's Educational Service Provider of the Year for Donald Stewart Early Childhood Center School No. 51 was awarded to Child Development Associate (CDA) **Ms. Melissa Sue Llano**. Ms. Llano has been a member of Elizabeth Public Schools since 2019.
