

Olga Hugelmeyer
Superintendent of Schools

October 8, 2019

Dear Parents and Guardians:

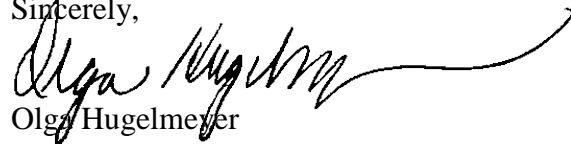

Elizabeth Public Schools provides safe and caring environments for our students to achieve excellence by ensuring the safety and security at all of our district's school facilities.

This afternoon, Elizabeth Public Schools received information pertaining to a potential threat at Thomas Jefferson Arts Academy. We are currently working with the Elizabeth Police Department and are taking action according to their recommendation and direction.

Additional security guards have been sent to the school and the Elizabeth Police Department will have patrol cars monitoring the immediate area as an added measure of safety. All team members at the school have been made aware of the issue and the entire Elizabeth Public Schools professional learning community will continue to remain vigilant in keeping our schools and administrative offices safe and secure.

Thank you for your continued support of Elizabeth Public Schools.

Sincerely,

Olga Hugelmeyer

Office of the Superintendent of Schools
