Dear Parents and Guardians:

The vigilance of all members of our school community is of utmost importance in keeping our community safe.

An Elizabeth Public Schools student reported this morning that they were the target of an attempted luring in the vicinity of Christopher Columbus School No. 15. We are currently working with the Elizabeth Police Department to provide as much information as possible and are taking action according to their recommendation and direction.

We have been informed that the suspect of the attempted luring was described as a black male with short, curly hair who was driving a white van with tinted windows and large locks on the outside of the vehicle. The Elizabeth Police Department is actively searching for the vehicle.

All team members at Christopher Columbus School No. 15 have been made aware of the incident. The Elizabeth Public Schools professional learning community will continue to remain vigilant in keeping our schools and administrative offices safe and secure. We encourage you also to remain vigilant and discuss with your children the importance of being aware of their surroundings and steps they should take when encountering unfamiliar people or strangers.

If you see or have heard of any activity that is suspicious or similar to the incident mentioned above, please call the Elizabeth Police Department at 908-558-2000.

Thank you for your continued support of Elizabeth Public Schools.

Sincerely,

Olga Hugelmeyer
