

ELIZABETH PUBLIC SCHOOLS

Every Child, Achieving Excellence

September 6, 2018

Dear Elizabeth Public Schools Students and Families:

On behalf of the Elizabeth Board of Education, I welcome you back to our schools for 2018-2019! We are all excited to start this new year and our team members have been working hard throughout the summer to prepare for this day and for the upcoming year.

The hallmark of a great school district is the collaboration and engagement between the district and the community it serves. I welcome and encourage you to be active members of the Elizabeth Public Schools community. For students, that means participating in extracurricular activities such as athletics, clubs, organizations, and/or student government. For parents and guardians, that includes participating in your child's education, volunteering to assist with school activities, and/or participating in the parent/teacher association at your child's school.

The Board is here to support you and to ensure that you are receiving a high quality education that prepares you for college and career opportunities. Together we achieve more and further strengthening our partnership will, in turn, strengthen our schools and empower you, our students, to achieve excellence.

We wish you a very successful 2018-2019 and can't wait to celebrate more of your excellent achievements and create special memories that last a lifetime!

Sincerely,

Maria Z. Carvalho
Board President
