August 2023

Dear Parents/Guardians and Students,

We, the entire staff here at *John E. Dwyer Technology Academy*, are honored and elated to welcome all of our students and family members to the 2023-2024 school year **beginning on Friday, September 8th**! Our promise is to provide an innovative and personalized learning environment that ensures that every child achieves excellence. Within a safe, rigorous, and welcoming environment, we believe that every student can and will learn at his optimal level in order to reach his highest educational potential.

Please take the time to visit our district website and the **Back to School link** at <https://www.epsnj.org/Page/4374> for additional information on returning to school. Many of the important topics addressed in detail on the district website are also provided below for your immediate review:

FIRST DAY OF SCHOOL / ARRIVAL AND DISMISSAL PROCEDURES

The 2023–2024 school year will begin on Friday, September 8th, 2023. Instruction will be conducted during the hours of 7:45 a.m. to 2:29 p.m. In order to help facilitate both a smooth and orderly mode of transition during the times of arrival and dismissal, please adhere to the following safety procedures:

- Once students arrive to school, they will not be permitted to leave the premises. Classroom instruction will begin promptly at 7:45 a.m. Please plan to drop-off your child by 7:15 a.m. to allow adequate time for the student to go to his/her locker and report to class in a timely fashion.
- It is extremely important that all students arrive to school before the beginning of 1st Period to maximize their optimal learning experience. Students who arrive to school late invariably disrupt the educational process. Please refer to the student handbook regarding all tardy and attendance rules and procedures.

We would like to remind everyone that the driving speed limit, within the designated parameters of our school, should not exceed 25 mph. Traffic tends to back-up; so please plan to drop-off your child accordingly and drive safely.

On Friday, September 8th, 2023, students will be allowed to enter the building at 7:15 a.m. if they wish to eat breakfast. Students will report directly to the school cafeteria.

- Upon arrival, students will enter through the metal detector. We are asking for all students to cooperate with our security staff.
- Open drinks and hot beverages are not permitted in the building.
- Headphones and electronic devices are not to be visible. Upon entering the building these items are to be put away.
- All students will follow the Homeroom Schedule on September 8th & 11th, 2023. Please note, on the front of the envelope received, there is a label with the student's Homeroom information on it. The student must bring the envelope on the first day of school and report directly to his/her homeroom; there he/she will receive a copy of the PowerSchool schedule.

Please know safety is of the utmost importance to us. Upon entering the building, all visitors must report to the security desk, sign in, show proper photo identification, receive a visitor's pass (if permitted, visitors must wear a mask), and then report to the main office where a secretary will assist them. Only individuals listed in PowerSchool will be allowed to pick-up the child. No parents/guardians or unapproved guests are allowed inside the classrooms.

We ask that you guide and support your child's learning by ensuring that he/she attends school daily, arrives on time, and is ready for the day's learning experience.

POWERSCHOOL PARENT PORTAL INSTRUCTIONS

PowerSchool is an electronic management system that is utilized by the Elizabeth Public Schools in order to collect, store, and maintain pertinent student data and records. The application provides parents with real-time access to information that pertains to a student's schedule, attendance, grades, and academic progress; it also offers a convenient and accommodating way for both parents and teachers to communicate as needed. Therefore, everyone stays connected. Schedules for the upcoming 2023-2024 school year will be available to view on PowerSchool on **Wednesday, August 30th**.

SOCIAL - EMOTIONAL LEARNING

Now more than ever, today's generation of young adults are contending with many unimaginable challenges due to the aftermath of our most recent unprecedented times. In order to ensure that the continuance of positive school climates as well as the healthy development of the whole child progresses, the Elizabeth Public Schools recognize how critically essential social-emotional learning skills are for our students and their successful performance in school, in work, as well as in life; as a result, we will continue to foster social-emotional skills as a daily practice in the classrooms. Creating a safe learning environment where students are able to engage in the core competencies of self-awareness, self-management, social awareness, relationship skills, and responsible decision-making will help to provide students with the skills required to navigate through those complex challenges in life.

We hope that you will all continue to enjoy the remainder of the summer. Let's continue on our shared mission to reaffirm equity, reestablish expectations, and reclaim excellence! We look forward to starting another journey together on ***Friday, September 8th***.

Sincerely,

Sulisnet Jimenez, Principal
