The application provides parents with real-time access to information that pertains to a student's schedule, attendance, grades, and academic progress; it also offers a convenient and accommodating way for both parents and teachers to communicate as needed. Therefore, everyone stays connected. Schedules for the upcoming 2023-2024 school year will be available to view on PowerSchool on *Wednesday, August 30th*.

NEW AND RETURNING PARENTS TO EPS

UNIFORM POLICY

The intended purpose for the EPS dress code is to promote a positive self-image and to enhance school pride amongst our students. Health, safety, and educational well-being are the primary objectives for the dress code with the goal of fostering an environment that is conducive to discipline as well as to education. School uniforms are expected to be worn on a daily basis.

The uniform and dress code requirements for your child's school are provided on the EPS website at <https://www.epsnj.org/Page/4374>. Please refer to the "*Uniform Policy*" tile and follow the instructions provided.

Parents, we are asking for both your cooperation as well as your support regarding your child's adherence to the uniform policy. Students who do not adhere to the school uniform policy will not be permitted to enter the building on *Friday, September 8th* or any school day thereafter. Please do not hesitate to contact the main office if you should have any questions with respect to the uniform policy.

ELECTRONIC DEVICES

For the past few years, our school has operated as a 1:1 technology school; and as a result, all students will continue to utilize a *laptop computer* for their daily classroom instruction. Students should make every effort to take excellent care of their *laptops* throughout the school year, as this is a very special privilege. Our 1:1 technology implementation will continue to ensure that our students attain the competitive standards that are needed to foster both college and career readiness. *All students are required to bring their charged laptops and power cords to school daily.*

NEW ENTRANTS

All new students to the district will receive their laptop during the first week of school.

NEW AND EXISTING PARENT INSTRUCTIONS

It is extremely important that we have the most updated home address and/or phone numbers so that we may contact you in the event of an emergency or to discuss your child's progress. Please be sure to update your contact information by logging into your PowerSchool Parent Portal and filling out the Emergency Information form found under the Forms link throughout the course of the school year should there be a change in either your home address and/or phone number. Open communication between the home and the school is expected and is one of the more pertinent keys to academic success in school.

Our Notification system enables staff members to contact parents through email, text, and through verbal messages recorded on the phone. Through this system, parents are immediately alerted of urgent information, major events, and/or upcoming dates. To ensure that this system will continue to operate in a highly effective manner, it is very important that we have **the most current and accurate information on file for each and every student.**

To obtain information on how to keep your contact information up-to-date, please visit the EPS website at <https://www.epsnj.org/Page/4374>. Please refer to the "***Stay Connected***" tile and follow the instructions provided on how to update your information on PowerSchool.

In addition, please consider volunteering your services and supporting the Parent/Teacher Organization (PTO) at your child's school. SOCIAL - EMOTIONAL LEARNING

Now more than ever, today's generation of young adults are contending with many unimaginable challenges due to the aftermath of our most recent unprecedented times. In order to ensure that the continuance of positive school climates as well as the healthy development of the whole child progresses, the Elizabeth Public Schools recognize how critically essential social-emotional learning skills are for our students and their successful performance in school, in work, as well as in life; as a result, we will continue to foster social-emotional skills as a daily practice in the classrooms. Creating a safe learning environment where students are able to engage in the core competencies of self-awareness, self-management, social awareness, relationship skills, and responsible decision-making will help to provide students with the skills required to navigate through those complex challenges in life.

We hope that you will all continue to enjoy the remainder of the summer. Let's continue on our shared mission to reaffirm equity, reestablish expectations, and reclaim excellence! We look forward to starting another journey together on *Friday, September 8th*.

Sincerely,

John J. Byrne
