Boo Boo Bear Bullying Program

Madison-Monroe School No. 16 kindergarten students completed the "Boo Boo Bear Learns about Bullying" Program with school social worker Mrs. Uniacke during the school's Week of Respect. Students learned with Boo Boo Bear how to deal with issues important to their physical and emotional health, including bullying behavior and how to deal with someone who is unkind to them. Role playing and open-ended questions engaged the students participating in this interactive activity.

Students were awarded certificates upon completing the lesson. They will share what they have learned with their school community and family members.

B.E.A.N.S

BEANS? What do beans have to do with Anti-Bullying week? The first grade students at **George Washington School No. 1** will tell you that B.E.A.N.S. stands for "Bullies Everywhere Are Now Stopped!"

Students enjoyed the fun story, *Bully B.E.A.N.S.* by Julia Cook, as they learned how to become proactive when it comes to bullying. Mrs. Schpakow, school counselor, visited each first grade class to help the children understand why bullying happens and what they can do to stop it. After enjoying the story, everyone made bully beans for the school to remind all students that "Bullies Everywhere Are Now Stopped!"

Anti-Bullying Pledge

On October 1, the Guidance Department, along with School Social Workers at **Thomas A. Edison Academy** set up a HIB station to distribute information about Harassment, Intimidation, and Bullying. Students received tips on how to stay bully free and signed an Anti-Bullying Pledge agreeing to treat others with respect, include those who feel left out, refuse to watch, laugh or join in when someone is being bullied. Students also received and reviewed the Elizabeth Board of Education Policy on Harassment, Intimidation and Bullying.

Peacemaker Pledge

'Respect Week' began at **Dr. Albert Einstein Academy School No. 29** on the first week of October. During this week, students and teachers continued to promote a culture of respect, peace and anti-bullying through a variety of activities, including singing the "United Against Bullying" song, signing the "Peacemaker Pledge," and participating in classroom

lessons designed to promote respect. Students received an "I Elect to Show Respect" bracelet in order to demonstrate their commitment to treating one another in a respectful and compassionate manner. Students were also encouraged to continue to engage in respectful interactions with family, friends and their community!

Respect Diversity

Fifth grade students at **Madison-Monroe School No. 16** worked on two projects. The first was to create a T-shirt that will represent diversity. Different colored hands were placed on colored T-shirts to represent to that everyone is different (colors and shapes) but that everyone still needs to be respected regardless of the way they look, feel or think.

The second activity was to sing a song/poem written about respect by Naomi Drew. Mr. Kukla helped sing along with his guitar.

Hamilton Annex Focuses On "RESPECT"

Alexander Hamilton Preparatory Academy students participated in the 'Week of Respect'. Team members highlighted the importance of treating everyone with kindness and RESPECT. The negative and harmful impact of harassment and bullying was addressed and reinforced that it will NOT be tolerated! Hamilton students were challenged 'to be caught displaying random acts of RESPECT'. When team members saw students exhibiting respectful behavior, their name went into a drawing. Lucky winners Victor Rodriguez and Eddie Posso's names were drawn from the many students who showed RESPECT! Hamilton students go above and beyond to support and help each other. They respect each other's 'differences' and encourage kindness, respect and success!

NO BULLY ZONE

Stop Bullying!

The students in Ms. Smutek's fifth grade class, at **Ronald Reagan Academy School No. 30**, are working to stop bullies! The students are currently reading the book *The Well of Sacrifice*, by Chris Eboch, which chronicles the story of conflict between the Mayans and the Savages. The students and their teacher discussed ways to take a stand against bullying. These included telling their parents, a teacher or another adult that they trust about the incident. The students then created posters and presented them in class.

School 29 Celebrates International Day of Peace

In anticipation of Respect and Anti-Violence Weeks in October, the guidance department at **Dr. Albert Einstein Academy School No. 29**, made International Peace Day (September 21) a major focus of the start of this school year. With only days to plan and organize all of the events, students and team members were able to participate in many activities. The day started with Mrs. Difonzo's Chorus singing a beautiful song, written by Music teacher Mr. Schwartz, that reflected the purpose of creating a peaceful and unified school.

Pinwheels of Peace were created in Mrs. Rodriguez and Mr. Glynn's 1st and 2nd grade Art classes. The Physical Education Department hosted the 'Peace Olympics'. Posters from the 3rd and 4th grade classes adorned the halls. Kindergarten classes made peace doves and students in grades 5 through 8 wrote essays on "How to Make School 29 a Peaceful School". A pep rally was held during the lunch sessions where the students created a human "peace sign". There was singing, speeches and the highlight of the rally occurred when a dove Henry, was released as a sign of peace. Henry did not want to fly away, so he was officially adopted by the school.

Students Honor the Heroes and Victims of 9/11

In honor of the lives lost on September 11, students and team members of **Benjamin Franklin School No. 13** gathered outside under the American flag at 8:46 a.m. and paused for a moment of silence. As a symbol of love, students tied ribbons to the surrounding school fence to represent those affected by the tragedy of that day and the heroes continuing to fight for freedom.

Patriots Day

Mrs. López's second grade class, at **Victor Mravlag School No. 21** and **William F. Halloran School No. 22**, commemorated Patriot Day in a unique way. Students worked in groups to design a bulletin board that represented "Our Country: unified to remember those who lost their lives during the terrorist attack on the World Trade Center." The students also wrote about the heroes that went beyond their duties to help others.

We Will Never Forget

Students in Ms. Mednick's second grade class, from **George Washington School No. 1**, spent time studying the world around them by learning about the United States of America, patriotism and the tragic events of September 11. They spoke of friendship, cooperation, school as a community and being a good citizen. To celebrate our country and the positive traits it takes to make it a better place, students made a banner of handprints in red and blue, symbolizing

their mission of working together this year as a class towards success!

Peace Tree Project

School counselor Ms. Rappa and art teacher Ms. Torres collaborated to initiate a school wide Peace Tree Project at **Madison-Monroe School No. 16** to endorse the district's Week of Respect. The tree was decorated with an array of colorful leaves that displayed student written messages promoting peace. The tree, located in the hallway of the main building, welcomed parents during Open House.

Show Tolerance and Respect

To celebrate the "Week of Respect," students and staff at **Frances C. Smith School No. 50**, recognized the importance of respect by participating in various activities. Each child decorated his or her own star to "**Show Tolerance And Respect (S.T.A.R.)**." The teachers also engaged the students in a discussion about the meaning of respect, compassion, empathy and self-awareness as well as what it means to be different. The children loved creating a star that reflected compassion and an understanding of others.

Dream Box

Mabel G. Holmes School No. 5 created a dream box because the school is having a dream ceremony in January. Team members made name banner torches for everyone in the building. Students wrote their dreams and recognized the heroes lost on 9/11. Students enjoyed helping set up the display.

"The Miracle Worker"

Mrs. Canton-Malet's 8th grade students at **Victor Mravlag School No. 21** and **William F. Halloran School No. 22** experienced what it is like to be blind for a day.

While reading the novel, "The Miracle Worker," about a young, blind, and deaf Helen Keller, students engaged in a variety of activities including a "Trust Walk" where they were dependent upon others to guide them through busy hallways and perform daily tasks while blindfolded and wearing earplugs. Students also learned phrases in American Sign Language and the entire sign language alphabet. Some students researched childhood diseases to learn the causes of blindness that existed back in the 1800's—when the novel takes place.

"Not being able to see the beauty of things in life makes you think about how people that are blind must feel," said 8th grader Kassie Mahabir.

Students Broadcast

Six of the advanced television students from the **Thomas Jefferson Arts Academy** worked to broadcast the Elizabeth vs. Union football game on the MSG Varsity Channel on September 14. It was a great opportunity for the students to gain first-hand experience in TV Broadcasting. The students used their TV production experience from Mrs. Rivera's TV Production Class to run cables, test equipment, assist in the setup and even work on the audio equipment on the sidelines.

It was a night students will not forget, as they move one step closer on their journey to a career in broadcasting.

Clifford Turns 50

How do you celebrate the birthday of an icon? What if the icon is a dog and is fifty years old? Students at **Madison-Monroe School No. 16** decided to celebrate the 50th anniversary of the first Clifford the Big Red Dog book with a math lesson on similarity. For this endeavor, Mrs. Phyllis Taub's fifth graders teamed up with Mrs.

Miriam Levenson's second grade crew. Students followed along and drew as Mrs. Taub showed them how to create their very own Clifford following specific directions. Using straight lines, curves, angles, and geometric shapes, students made *Cliffords* identical to one another in terms of shape... but not size. What a "doglightful" activity to drive home the idea of similarity.

Butterflies

In September, a team of teachers provided students at **Dr. Martin Luther King, Jr. Early Childhood Center School No. 52** with a hands on lesson about the life cycle of a butterfly. They had a chance to watch real butterflies emerge from their cocoons and had fun releasing them outside in the courtyard.

This was not only an excellent learning opportunity for the students but a great demonstration of teamwork from the teachers, in rooms 151, 153, 154 and 156.

International Peace Day

In honor of International Peace day, students from **Benjamin Franklin School No. 13** were educated about history, traditions, and the importance of world peace. As a symbolic representation of peace, students personalized their doves by writing an interpretation of their meaning of peace. Their teacher, Mrs. Rios, gathered the doves and created peace signs throughout the school to display their work.

Student Council Elections

Robert Morris School No. 18 held its annual Student Council elections. Nine middle school students ran for four positions: Treasurer, Secretary, Vice President, and President. Each candidate gave a speech in support of their campaign, and created posters to rally voters. This year's candidates focused on being positive role models for students throughout the school to illustrate how hard work, a healthy attitude, and defined goals, lead to high levels of achievement. The candidates with the highest vote total will hold the office, but all of these students are winners for being positive leaders for the rest of the student body.

First Annual Pancake Breakfast Fundraiser

Dr. Antonia Pantoja School No. 27 participated in a Flapjack Breakfast Fundraiser sponsored by the PTO in conjunction with Applebee's Restaurant. Team members and parents were treated to a delicious breakfast of pancakes, eggs, and sausage. With the generous efforts of PTO Chairperson Diana Garcia and School No. 27 team members, they were able to raise a total of \$864.00 that will be used for students participating in "Fun Day" and other various activities throughout the school year. WAY TO GO SHARKS!

Scholastic Book Fair

September was a busy month for the students and team members at **Benjamin Franklin School No. 13**. In addition to starting the new school year, they held an annual Scholastic Book Fair. Librarians Ms. Davies and Ms. Freeman co-chaired a successful fair. The book sale began with a teacher preview and hosted a *Parent and Grandparent Book and Breakfast*. An overwhelming response from parents exceeded last year's goal.

Hamilton Preparatory Academy Living Up To Its Name

Alexander Hamilton Preparatory Academy is preparing more students than ever for postsecondary education. In fact, having increased both the number of Advanced Placement (AP) Courses offered as well as the number of students taking AP courses, the Academy is ensuring its place among the best high schools in America.

Advanced Placement courses help students to acquire skills they need to be successful in postsecondary education. Research has shown that participating in an AP class promotes critical thinking skills and helps increase a student's likelihood of graduating from college in four years.

In addition, most four-year colleges in the United States provide students with college credit, advanced placement, or both on the basis of the score they receive on their AP exams.

Last year, Hamilton Preparatory Academy offered students the opportunity to enroll in twelve AP courses: Art History, Calculus, Biology, Chemistry, English Language, English Literature, Macro Economics, Spanish Language, Spanish Literature, French Literature, United States History, and World History. This year, Alexander Hamilton added four new AP courses: Environmental Science, Human Geography, Micro Economics, and Studio Art.

Alexander Hamilton Preparatory Academy plans to continue to expand their AP program in order to provide the best, most challenging opportunities for their students to succeed in high school and beyond.

School 16 Achieves Bronze Medal

Madison-Monroe School No. 16 has earned the Bronze Level Recognition of the Healthy Schools Program sponsored by The Alliance for a Healthier Generation.

This program made everyone more aware of the importance of healthy living. Students and team members enjoyed numerous physical activities and experienced the benefits of healthier eating. Congratulations to the Wellness Council for their hard work that definitely paid off. School No. 16 looks forward to success in earning the Silver level this year.

Alumni Visit

"Be curious and maintain that curiosity throughout life," was the advice given to the ninth graders of **Elizabeth High School** by two distinguished alumni of EHS on September 19. The freshman benefited from the advice of Eric Lin, EHS class of 2005, a 2009 graduate of Harvard University, and Amanda Lazaro, EHS class of 2007, a 2011 graduate of Massachusetts Institute of Technology.

Amanda and Eric emphasized one goal: to encourage students to attend the nation's most competitive colleges and universities. Both Eric and Amanda serve as alumni interviewers of perspective students for their individual universities. As such, the freshman class was able to get an insider's edge into the admissions process for these highly competitive universities.

This was a day where the alumni along with faculty wanted to encourage students' dreams and to inspire students to apply to the very best universities.

Mr. O'Donnell said, "As a school we are grateful for the opportunity to expose our students to truly great success stories. We continue to encourage our students to strive for their highest educational goals."

College Bound

Benjamin Franklin School No. 13 continues to implement the AVID (Advancement via Individual Determination) Program. This is a college readiness program that teaches students various skills and strategies they will need for their middle school years, high school, and college. The teachers at Benjamin Franklin have high expectations for students and want to encourage them to attend college.

Each classroom selected a college or university to represent and decorated the outside of their doors with various emblems from the selected college. Quotes of inspiration encourage students to reach for the stars. Teachers wrote letters to the colleges describing the school's AVID program and have received pennants, stickers, flags, and letters of praise.

Making Excellence a Habit at Dr. Antonia Pantoja School

On September 27, **Dr. Antonia Pantoja School No. 27** hosted an Open House to a crowd of over one thousand parents and students. The evening began with Principal Lucio welcoming honored guest, Board Member Elcy Castillo-Ospina, and members of the learning community. He introduced his exceptional team members and explained his school's goals for this year.

Principal Lucio commented, "With over 1,031 students, we will continue to work toward a balance of allowing students increasing levels of autonomy while also ensuring that students are appropriately challenged and scheduled during the school day. We hold high academic standards for all students and continue our efforts to become a number one school in the nation by 2015."

A special thanks to Jenny Reguinho and Back to School Committee for their hard work and dedication in making this a rewarding experience.

Dr. Albert Einstein Academy's Garden is in Full Bloom

Dr. Albert Einstein Academy No. 29 received a greenhouse and 3-4 raised garden beds as part of the STEAM agriculture class. Students and team members have been tending to the greenhouse and standing gardens on the school's campus. In 2011, Science coach Tracy Espiritu helped organize faculty and students to team up with the Greater Newark Conservancy and form the Green House Committee to make School No. 29 a "greener" community. Social Studies Teacher Mr. Carmazino teaches a STEAM class on how to tend to a green house. The class also explores hydroponics and ancient gardening techniques.

Tomatoes, watermelon, and sunflowers were among the produce harvested. The watermelons were especially bountiful this year and one watermelon was so massive that a contest was held to guess its weight. The winner received the watermelon as the prize.

The green house and standing gardens on the Dr. Albert Einstein Academy's campus are truly a place where students can learn how to make their lives a little "greener."

URBAN SCHOOL DISTRICT
IN NEW JERSEY

Peer Leadership

Ronald Reagan Academy School No. 30 inducted its new Peer Leaders for the school year 2012-13 under the supervision of school counselor Mrs. Monaco. A group of students participated in the training, which included team and character building, communication techniques, and decision-making skills. Their goal is to influence others by listening to them, encouraging them to look at alternatives and helping them in the process of making the right choice, ultimately affecting the school climate.

Leadership is not an easy responsibility and the ability to influence positively the behavior, ideas, attitudes, values and decisions of those in the same age group is a daunting task. At the conclusion of the training, each child received a wristband with the message, *Strength through Leadership*.

Healthy Eating at School No. 6

Students at **Toussaint L'Ouverture -Marquis de Lafayette School No. 6** are learning the benefits of healthy eating through the *Fresh Fruit and Vegetable Program*. Through this program, students try a variety of fruits and vegetables throughout the school year, while learning about the valuable benefits of eating healthy. Students are excited to participate and are eager each day to sample the next fruit or vegetable.

A Special Visit

Madison Monroe School No. 16's safety patrol team was joined by someone whose expertise is safety - Jason Bonilla, a soldier in the U.S. Navy. As the school patrol team organized lunchtime games and activities with first and second graders, Mr. Bonilla visited the school as a surprise birthday guest for his daughter, Laila, a first-grade student in Mrs. Harrington's class. Mr. Bonilla, currently

based in California, returned from a tour in Afghanistan and used his time off to make an unexpected trip to Elizabeth. Mrs. Harrington's pupils were in on the surprise and managed to keep the secret. Laila was led into her room and was really surprised that her Dad would be part of the festivities!

Recognizing Hispanic Heritage Month & the 2012 Summer Olympics

Sixth grade students, at **Abraham Lincoln School No. 14**, during their Spanish class, researched and discussed different Hispanic Americans that participated in this year's Summer Olympics in London. Some of these Olympians are Hispanic or Hispanic American. Even though some of them were born in Spanish speaking countries, they represented the USA team. Students also got a glimpse of the many struggles and sacrifices that these athletes have had and encountered on the road to reaching their dreams.

Preparing for "A Charlie Brown Christmas"

It is early October and **Charles J. Hudson's** Music Department, Mr. Joseph Brady, instrumental music and Mr. Andres Holguin, vocal music, is already in full "Swing". Our theme this season is "A Charlie Brown Christmas". The band and chorus will be performing various selections from this animated television Christmas special. The band and chorus consists of students in grades 6 through 8. In keeping with the district's commitment for academic excellence, all band and chorus members must maintain passing grades in all subject areas. The winter concert, under the direction of bandleader Mr. Brady, and with decorations by Art teacher Mrs. Hershkowitz, will be a gallant affair.

"Walk to School Day"

On October 3, several parents, students, and team members from **Robert Morris School No. 18** walked to school as part of an international healthy event. Organized by the Partnership for a Walkable America, *Walk to School Day* in the USA began in 1997 as a one-day event aimed at building awareness for the need for walkable communities. School No. 18's Healthy Alliance is receiving Silver Status this year and we wanted to show everyone what a Silver school looks like. Students created posters to promote walking. Why walk? Walking is fun, creates healthier habits, keeps a cleaner environment, promotes safety, and helps develop a sense of community.

Ninth Graders' Odyssey to Hispanic Heritage Month

One of the key learning goals in the Elizabeth Public Schools is for students to be able to "connect" their learning from one class or concept, to another. Mrs. Pereira's 9th grade classes at the **Alexander Hamilton Preparatory Academy** are doing exactly that. In homage to Hispanic Heritage Month, students read the work of Latino poets. These poems made connections with the themes in Homer's

Odyssey, one of their required readings, particularly the theme of "going home." One of these poems was *Instantes*, written by the Argentinian poet Jorge Luis Borges. Students also made connections between the messages in the poems to their own lives, starting with class discussions and concluding with a written essay about their own heritage. All these activities led students to a greater understanding of what it means to be Hispanic.

Students Without Borders

Mrs. Sanchez's 7th grade science class at **Dr. Antonia Pantoja School No. 27** use iPads to synthesize data on the Earth's tilt, rotation, and Earth's revolution around the Sun. This enables students to understand how this process causes changes in the height and duration of the Sun in the sky, and how that impacts the number of daylight hours in the cities where they were born around the world. These students have been able to integrate their personal technology skills and adapt them to use with iPads in classrooms for innovative learning.

Hope, Strength, Love

October is **Breast** Cancer Awareness Month and the faculty at **Elmora School No. 12** will recognize this important event by participating in Denim Day. Denim Day was started by Lee Jeans in 1996 as a single-day fundraiser held nationwide. Contributors put on their jeans and donated money to help aid in the fight against breast cancer. At School No. 12, faculty members that make a donation will wear their favorite jeans and receive a pink ribbon. The monies raised benefit the Cancer Support Community, an organization dedicated to ensuring that all people impacted by cancer are empowered by knowledge, strengthened by action, and sustained by community.

Jumpstart's Read for the Record

On October 4 - **Juan Pablo Duarte - José Julián Martí School No. 28's** PreK-142 class along with, Mrs. Staci Marshall and Ms. Roxanna Serra participated in the Pearson Foundation, Jumpstart's Read for the Record, to show their support for early literacy! Mrs. Trisha Tarricone from Pearson Education along with her husband Mr. Michael Tarricone presented the class with a copy of David Soman and Jacky Davis's book, *Ladybug Girl and the Bug Squad* to help set the biggest reading record!

Eighth Grade Students Help the Younger Students

Mrs. Calixto's kindergarten students met Ms. Lathrop's eighth graders, from **Elmora School No. 12**, for the first time, as the students prepared for a yearlong partnership as friends. The program, in its second year, pairs eighth grade students with kindergarteners to help acclimate the younger students to a school setting. Classes meet weekly and do activities to promote social growth and academic understanding. Eighth graders help chaperone the kindergarten students on trips during the year, creating a learning environment that encompasses both age groups.

"Last year, I found that my students looked forward to buddies as much as the younger students," Ms. Lathrop said. Mrs. Calixto echoed the same sentiments. "My students love the older kids coming in. The little ones look up to the older kids and it is a welcome addition to the academic school day," she said.

Back to School Night

Hundreds of parents attended **Robert Morris School No. 18's** Back to School Night. The tremendous turnout showed how involved parents are in their children's education. After a brief and informative presentation by Principal Leite, parents visited their children's classrooms where they were introduced to the rigorous curriculum of the school. Every parent received a lanyard with the school name and mascot.

Refreshments were provided by the Parent Teacher League. Special guests included Board Members, Elcy Castillo-Ospina and Tony Monteiro.
