Elizabeth Public Schools, in alignment with its core beliefs and promise to provide an innovative and personalized learning environment, continually strives to use communication and instruction methods that best serve students and families. Technology and online tools play an increasingly important role in our ability to prepare our students for college and career opportunities in the 21st century global marketplace.

We want to continue to embrace useful technological advances, but realize not all families have the same access. Help us assess how readily available technology and internet access are for your child/children at home. Please complete one survey per family. Thank you for taking the time to help us better serve your child/children.
