Every Child, Achieving Excellence

7th Annual Teen Health Expo

On May 29, Elizabeth Public Schools held its seventh annual **Healthy Leap into Summer** health expo in collaboration with organizers Gateway Regional Chamber of Commerce President, James R. Coyle and Trinitas Regional Medical Center Vice President of Clinical Services, Nancy DiLiegro, PhD. The health expo, which is the largest teen obesity awareness program in the U.S., according to the United States Department of Health and Human Services, took place in the Dunn Sports Center.

The one day program is designed to promote healthy lifestyles to high school students while addressing the epidemic of teen obesity. Childhood obesity has grown considerably in recent years, with 16 to 33 percent of children and adolescents now considered obese. The annual Healthy Leap event provides Elizabeth Public Schools' high school students the tools they need to combat teen obesity and live more health conscious lives.

Healthy LEAP into Summer

Over 2000 students from the district's six high schools participated in workshops, received health screenings, viewed food demonstrations, and had the opportunity to learn from interactive exhibits provided by organizations from Elizabeth and the surrounding community. Popular exhibits included Martial Arts demonstrations; Indoor Ski Relays; Zumba Fitness; Massage Therapy, and the Army's physical fitness stations.

The expo concluded with a rally including guest speakers, performers, and contests for students. Competition winners of healthy poster, dance and recipe contests each received \$500 scholarships. Students also earned tickets from various exhibits and workshops which they entered to win one of eight Fitbit activity trackers provided by the Gateway Chamber of Commerce.

Elizabeth Board of Education President Tony Monteiro, board members Francisco González, Paul Perreira and Superintendent Olga Hugelmeyer were on hand to urge students to "take a healthy leap." Mr. Monteiro commented, "The time and effort of the sponsors, exhibitors, and speakers in providing vital health information to our teens has made a lasting impact on our students' quality of life." Superintendent of Schools Olga Hugelmeyer said, "I am grateful to the sponsors of this annual event for providing our students this tremendous opportunity to gain knowledge in the area of preventive healthcare from such a diverse and committed group of community members."

The health expo was sponsored by the Gateway Regional Chamber of Commerce, Trinitas Regional Medical Center, United States Office of Health & Human Services, United States Army, AmeriHealth New Jersey, Overlook Medical Center, and Northfield Bank.

The next step - show what they know! Students incorporated their knowledge of dorsal, caudal, and pectoral fins into a class project. The fifth graders were outlined on kraft paper to resemble fish. They discovered sneakers create great fins, as do raised arms! Knowledge of patterns and geometric shapes helped create the scales, lateral lines, and other vital fish components. Finished fish were then not filleted, but stuffed with newspaper for their display at the school discovery fair. This involved both great fun and a real hands-on learning experience to reel in students.

BOARD OF EDUCATION

RESOLUTION

**THE ELIZABETH BOARD OF EDUCATION OF THE CITY OF ELIZABETH, COUNTY OF
UNION AND STATE OF NEW JERSEY IN SUPPORT OF
ASSEMBLY BILL NO. 2930 AND SENATE BILL NO. 1987**

WHEREAS, in February 2011, the Commissioner of Education adopted regulations imposing a cap on the salaries of chief school administrators based on the enrollment of the district in which the administrator serves; and

WHEREAS, the cap on superintendent salaries is unnecessary since the 2 percent property tax levy cap, the statutory limitation on administrative spending growth, regulations adopted pursuant to the School District Accountability Act, and Executive County Superintendent review of employment contracts protect the public's and taxpayers' interest by providing sufficient controls on superintendent compensation; and

WHEREAS, one of the most important responsibilities of a board of education is the hiring of a highly-qualified chief school administrator, who is critical in implementing the educational goals, vision and direction of the community; and

WHEREAS, the salary cap has a negative impact on the quality, stability and continuity of public education in school districts due to high turnover rates, increased use of interim superintendents, and a decline in the experience level of candidates for superintendent positions; and

WHEREAS, for many educator, becoming a superintendent represents the pinnacle of a lifelong ascent up the career ladder, yet the salary cap – which applies to no other positions – has created a disincentive for school leaders to strive toward that goal, which will have long-term negative consequences on educational quality in this State; and

WHEREAS, Assembly Bill No. 2930, co-sponsored by Assemblyman Patrick Diegnan and Assemblywoman Mila Jasey, and Senate Bill No. 1987, sponsored by Senator M. Teresa Ruiz, would prohibit the Department of Education from regulating the maximum salary a school district may pay its superintendent.

NOW, THEREFORE, BE IT RESOLVED, that the Elizabeth Board of Education of the City of Elizabeth, County of Union and State of New Jersey supports and urges the passage of Assembly Bill No. 2930 and Senate Bill No. 1987.

BE IT FURTHER RESOLVED, that a copy of this resolution shall be forwarded to each member of the 20th legislative district delegation, the Speaker of the General Assembly, the President of the State Senate, the Governor of the State of New Jersey, the Chairs of the Assembly and Senate Education Committees, the New Jersey School Boards Association, the Mayor of the City of Elizabeth, City of Elizabeth Council Members and Union County Freeholders.
