BOARD OF EDUCATION

RESOLUTION

RECOMMENDED: That the following revised policy, as attached, be approved.

5132 Policy School Uniforms

Policy

SCHOOL UNIFORMS

The Elizabeth Board of Education hereby adopts a school uniform policy for students in grades Pre-K through twelfth attending uniform schools. The Board believes that young people who are safe and secure, who learn basic American values, and the essentials of good citizenship, are better students. Parents, teachers, and school officials have come to see a school uniform as one positive and creative way to reduce discipline problems, prevent future discipline problems from occurring, and increase school safety.

The Board believes that the adoption of a school uniform policy can promote school safety, improve discipline, and enhance the learning environment. The Elizabeth Board of Education strongly believes that the following issues would support such a school uniform policy:

- A. An adopted school dress code will create security through identification, enabling school officials to recognize intruders.
- B. Will establish and instill positive atmosphere conducive to education.
- C. Similar clothing will eliminate peer pressure dealing with student attire.
- D. The dress code will promote a statement of identity.
- E. A sense of school unity will be created.
- F. Students will be instilled with discipline.
- G. School spirit will be enhanced.
- H. The dress code will help assist families with the economic burden of clothing school age children since following the dress code is less costly.

Uniform Selection

The Elizabeth Board of Education believes that personal appearance of an individual begins with tasteful dress, cleanliness, and common sense. Appropriate dress is instrumental in creating a feeling of pride on the part of Elizabeth students resulting in better behavior, greater school spirit, and higher academic achievement.

The specific uniform selection shall be determined by the principal, staff and parents of the individual school in accordance with N.J.S.A. 18A:11-8.

The Elizabeth Board of Education prohibits students from wearing, while on school property, any type of clothing, apparel or accessories which indicates that the student has membership in or affiliation with, any gang associated with criminal activities. The Board authorizes administration to consult with the local law enforcement agencies to assist in identifying potential gang affiliation in the districts uniforms.

Uniforms are required at all schools. Waivers of district uniform requirements may be issued by the Chief School Administrator and/or his designee. Waivers are restricted to those who meet one or more of the following requirements:

1. Religious Freedom - When wearing of the standard district uniform violates the student's religious beliefs; however, the district may require documentation or other means of corroborating that the belief would be violated by the wearing the school uniform;
2. Short Term Health - A physician verified health condition that would preclude a student from being able to wear all or part of the district uniform.

Uniform Violations

The building administrators will make final determination if the student's attire meets the approved uniform specifications. Students choosing not to wear the approved uniform attire will be disciplined per the districts discipline policy 5131. The building principal must approve any deviation from the dress code for specific, approved events.

Financial Considerations

Families in need of financial assistance for the purchase of school uniforms will be encouraged to contact the school. The building principal will determine the form and type of assistance that is appropriate. The Board shall include a provision to assist economically disadvantaged students to acquire said uniforms.

Annual Evaluation

An evaluation of the school uniform policy will be conducted annually by the building principal, Chief School Administrator and the Board.
