1. Excellence News

Elizabeth Public Schools, Elizabeth, NJ

October 19, 2017

Excellence is doing ordinary things extraordinarily well. John W. Gardner

Toussaint L'Ouverture - Marquis de Lafayette School No. 6- Home to Determined Leaders and World Changers

On September 20, 2017, an enthusiastic group of eighth grade students from Toussaint L'Ouverture - Marquis de Lafayette School No. 6 accompanied by vice principal Ms. Evaristo, fifth and eighth grade teachers, Mrs. Tears and Mrs. Patterson participated in WE DAY UN at Madison Square Garden in New York. The WE DAY UN is an initiative to inspire youngsters to find things in the world that they want to change and work together to change them.

Students listened to speeches on perseverance by celebrities like Whoopi Goldberg, Chelsea Clinton, Laurie Hernandez, Rasheda Ali, and Ellen Johnson Sirleaf, the resident of Liberia. Students left inspired to take on new challenges and tackle new problems this school year.

Community Day at Winfield Scott School No. 2

Winfield Scott School No. 2 observed *Week of Respect* completing various activities throughout the week, such as *Respect Our Community Day* on October 5, 2017.

Students in the second, sixth, seventh and eighth grade assisted with planting mums in front of the school. They not only enjoyed themselves but also learned the foundations of planting and took pride in making the school beautiful.

*A garden is a grand teacher. It teaches patience and careful watchfulness;
it teaches industry and thrift; above all it teaches entire trust.*
Gertrude Jekyll

School No. 51 Celebrates Week of Respect

Donald Stewart ECC School No. 51 celebrated Week of Respect by reading numerous books discussing the theme of *Respect* by guest readers Mrs. Okpych, the school's LDTC and Mrs. Pasteur, the school social worker. Books included "*Have You Filled a Bucket Today?*" read in the four-year old classrooms and "*Hands Are Not for Hitting*" read in the three-year old classrooms. New vocabulary was introduced throughout the readings and were displayed on the smartboard for students to revisit. Students demonstrated an understanding of the books by displaying how they can fill up someone's bucket with joy and laughter, as well as by using kind words and sharing hugs. Students continued to work on a variety of activities throughout the week that invited students to use the new vocabulary in context as well as engage in writing activities. A school-wide activity included creating a *Friendship Tree* located on the bulletin board in the main hallway using student handprints.

STEAM Initiative: Building Bridges

Mr. Burbano's third grade class, from **Dr. Albert Einstein Academy School No. 29** have been working full STEAM ahead on their first marking period project.

Using the engineering design process, which prompts students to: plan, imagine, ask, improve and create, they have started working on their bridges. There are two important components to this project.

First, the students compile research on the different types of bridges. They then investigate the different types of bridges and learn about their use and functionality. The second component allows students to select the bridge

they believe will sustain the most weight and create it, utilizing different materials. In the creation of beam, arch, and suspension bridges, students are connecting the science concepts of force, balance and stability, as well as exploring the field of civil engineering through literature, all while having fun!

Uniting Against Bullying

Nicholas Murray Butler School No. 23 honored the Week of Respect through various activities. Students 'Socked it to Bullies' by wearing crazy socks and 'Put a Lid on Bullying' by wearing favorite hats. They began each morning with inspirational messages, discussed what it means to show respect in the classrooms, and ended the week in unity by wearing an orange shirt.

SAIL Program

John Marshall School No. 20's 5th graders were selected to be a part of the Science and Integrated Language (SAIL) program hosted by New York University. Students are exploring the different properties of what is in their garbage as well as where their garbage goes. Students walked into their classroom after lunch and found their own personal garbage all over the classroom floor!

Students were asked to sort the garbage into different categories and decided on: foam, aluminum foil, food, paper, and plastic. From there, they were asked to describe the different properties of each. Students will continue to discover more about the phenomena of garbage throughout the first marking period.

Welcome Back to School

Jerome Dunn Academy of Mathematics, Technology and the Arts School No. 9's Jaguars roared back into teaching and learning with their annual Welcome Back to School Pep Rally.

Principal, Yalitza Torres led the entire school in a myriad of activities designed to celebrate successes, set goals and strengthen school culture. Among the highlights were: the Uniform Heroes Fashion Walk, the First Ladies Dance routine and individual class chants designed by the students. All students Kindergarten through 8th grade entered by grade level to cheers and music but came together as one community as Jerome Dunn Academy kicked off its best year ever!

School No. 28's Garden

The **Juan Pablo Duarte-José Julián Martí School No. 28** Garden is in full bloom. Students and team members volunteered over the summer and during recess to help care for the garden under the direction of Mrs. Montalvo. Students have grown tomatoes, pumpkins, eggplants, peppers, corn, lettuce, cucumbers, brussels sprouts, summer squash, onions, garlic, carrots, celery and potatoes.

All produce grown is donated to the families in the school. In addition, local pollinators have been visiting to feed from a variety of nectar sources found in the garden. This garden project has taught students about growing healthy food, being responsible for their environment, caring for living things as well as considering the needs of others.

Giving Back

On September 20, *Hurricane Maria*, a powerful storm with 150 mph winds, made direct landfall on Puerto Rico. This hurricane has been truly catastrophic for the citizens of Puerto Rico.

In many places, there is no water to drink, bathe in, or to flush toilets. There is limited food and cell service, and dozens of remote villages have been completely cut off from everything.

Students, team members and PTO members, under the guidance of Ms. Kalish, at **Woodrow Wilson School No. 19**, coordinated a community drive to collect dry goods, water and essential supplies to send to Puerto Rico. The response was overwhelming and the school community opened their pantries, wallets and hearts for fellow Americans in Puerto Rico.

Determined to Reach Excellence

Elmora School No. 12's eighth Grade AVID students modeled how to conduct TRFS (Tutorial Referral Forms) to their sixth and seventh grade AVID peers.

This three-step tutorial process invites students to identify what their point of confusion is as their peers assist them, by asking them higher order thinking questions leading them to solve their problem. The eighth grade students understand this challenging task and that is why they are assisting their AVID buddies. They are AVID college bound students who are committed to achieve excellence.

4th Pillar of Character - Caring

On October 5, **Alexander Hamilton Preparatory Academy Annex** celebrated Respect Week by spotlighting the 4th Pillar of Character - Caring. Students at the annex were asked to wear red shirts to signify how important "Caring" is in today's social environment. During a class assembly at the Annex, Mr. Berrio, the Annex guidance counselor, asked students to share stories about themselves that represented caring.

One student shared a heart felt story about how she was adopted at the age of five and how she wanted to thank a friend, who was also in the audience, for being her best friend and always being there for her. Mr. Berrio reiterated that respect and character building helps people overcome barriers. Alexander Hamilton Preparatory Academy would like to thank all of the students who wore red and shared their stories during the presentation.
