PLEDGE OF ETHICS

The Professional Learning Community includes all students, parents, and staff of the Elizabeth Public Schools.

As a member of the Elizabeth Public Schools Professional Learning Community, I will treat people as I wish to be treated. To do that I pledge to:

- Understand that the school community is a "special place."
- Listen respectfully when someone else is speaking by paying close attention and not interrupting.
- Speak in a calm voice and use proper language.
- Dress appropriately for teaching and learning.
- Inspire the best in myself and others by celebrating successes and learning from mistakes.
- Care about others by demonstrating acts of kindness.
- Be a life-long learner by taking every opportunity to learn from others.

Student Responsibilities

All students are responsible for maintaining a satisfactory level of academic performance. This is demonstrated by completing all the required assignments, benchmarks, class work, homework, and projects/papers and achieving a grade of *Satisfactory* (70) in elementary grades or a 70 at the middle school level. Dr. Orlando Edreira Academy adheres to all requirements for promotion and retention adopted by the Elizabeth Board of Education. As such, any student whose final grade in language arts literacy or mathematics falls below 70 or *NI* will be referred to summer school classes and **may face retention** in his/her current grade. Students' grades are accessible via the PowerSchool online system at [Student and Parent Sign In \(powerschool.com\)](http://powerschool.com).

Board Policies

ATTENDANCE

According to State Law, it is the obligation of every parent to ensure that every child under his/her care and supervision receives an adequate education and training and, if of compulsory age, attends school. A student must be in attendance at least 171 of the 180 day school year (95%), In order to be considered to have successfully completed the instructional program requirements of the grade to which he/she is assigned, no more than a total of (9) nine absences is allowed. Anything beyond that the student might need to attend summer school or face possible retention.

Dr. Orlando Edreira Academy has an additional attendance policy. While the one above reflects the need to be in school in order to receive the required instruction needed to be academically successful, students who are chronically absent or late face possible removal from this school. Students are allowed fourteen (14) tardies/lates/early dismissals or fourteen (14) absences for the school year. **Anything above that, the student will be subject to removal from Dr. Orlando Edreira Academy and will be returned to his or her neighborhood school.** You are able to find out how many days your child is late by calling the school or looking on Power School. Additionally, every progress report and report card shows the number of tardies or absences. A tardy is when a child arrives at school after 7:30 or leaves before 3:00 and includes what is typically referred to as a tardy, late, or early dismissal. Excused tardies and absences will not count toward our attendance policy, but will be documented in Power School. Please review the board policy to determine which tardies or absences are considered excused. **The school opens its doors and allows students in at 7:05 which is 25 minutes before we mark students late.**

CARE OF SCHOOL PROPERTY

Vandalism - Rules against vandalism are strictly enforced. Vandalism includes any damage to school property, no matter how seemingly insignificant. Parents will be expected to pay for damage done by their children.

Lockers - Lockers are the property of the Elizabeth Board of Education. The school has the right to inspect lockers as they are school property. Unannounced locker inspections may be randomly conducted throughout the school year.

Laptops- All K-8 students are eligible to receive Windows laptops to support learning. Middle school students may be allowed to take their computers home daily to charge. It is at the discretion of the school and teacher whether or not to allow computers home, and under what conditions. All students with laptops must adhere to Board File Code: 6142.10. Bullying will not be tolerated and will be fully investigated with appropriate action taken to ensure that it does not happen again.
