Dear Parents/Guardians:

Below is a suggested supply list to help you prepare your child for the beginning of first grade. Please label all supplies with your child's name in permanent marker.

We also request that no mechanical pencils, markers, pens, or gel pens be sent to school. We also recommend organizing a box at home of supplies that your child can use for homework such as crayons, pencils, scissors, glue sticks, and a ruler. Having these supplies at home will help your child be prepared for homework and home projects and make it easier for them so that they won't have to carry all of these supplies back and forth each day.
