Student Cellular Phone Registration Form

I understand that school policy specifically prohibits students having a cellular phone in school. I, however, request that my child be allowed to bring his or her cellular phone to school. I understand that my child is expected to check his/her phone in upon entering school, and it will be returned to him/her at the end of the day. If my child is found to have his/her cellular phone on him/her the privilege to have a cellular phone on school premises will be forfeited. If I need to contact my child, or my child needs to make a call during the day, he/she is not to use his/her cellular phone; rather, he/she will be allowed to use the phone in the main office, like any other child. I additionally do not hold any faculty or staff member responsible for my child's cellular phone should they not turn it in at the beginning of the day. I furthermore understand that my child's cellular phone will be confiscated if found on his/her body, or in his/her locker during the school day.
